

Pleasure-Way

Leading the Way into the next Decade!

Pleasure-Way Industries is proud to introduce our line of Class B Motorhomes. The Pleasure-Way Model ST, STS, MB and for the first time ever, the new innovative RL and RLS models.

All models offer the conveniences of larger motorhomes and give you all the comforts needed for long distance traveling. The luxurious interior, with a fully equipped galley, flush toilet, microwave oven and electronic furnace makes the Pleasure-Way a versatile motorhome that can also serve as everyday transportation. City streets, parking lots and narrow roads that can pose a serious problem for a conventional motorhome are no problem at all for Pleasure-Way. Each exciting model gives you an aerodynamic design with a sleek fiberglass roof that minimizes wind resistance, providing excellent fuel economy and easy handling. First class styling, comfort and design has made Pleasure-Way the clear value leader of the 90's.

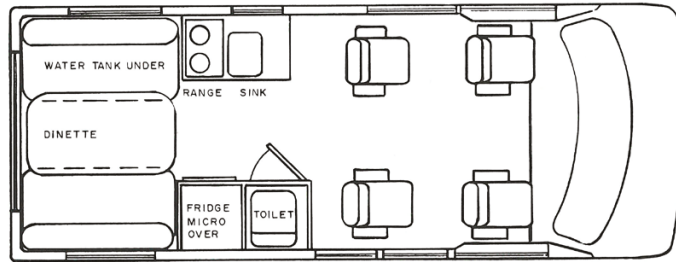

Features:

- Aerodynamic styling Hidden spare trunk Accent paint & decal striping
